

The image shows a modern restaurant interior. A curved bar with a wooden slat front and warm lighting is on the left. A central pillar with a copper-colored vertical band stands in the middle. To the right, a large indoor plant sits on a tiered stand in front of a backlit shelving unit. Three pendant lights hang from the ceiling. The floor is made of light-colored square tiles.

LOUIS

Louis transports you from the bustle of Canberra's Parliamentary Triangle to the warm embrace of a classic European bistro.

Elevated yet embracing, ambitious yet approachable,
Louis is the restaurant Canberra has been waiting for.

LEYLA

Barton's panoramic rooftop bar features beautiful views of Canberra in an art nouveau décor. The menu is focused on an extensive cocktail list alongside funky wines, local beers, and a snack menu. The venue is a prime location for private events and functions, guaranteed to impress with its set up and product.

Equally beautiful throughout the day and night, it's a fantastic place to grab a quick drink or settle down for a night of cocktails and snacks with friends.

THE ALBY

The Alby is located on the ground floor of the Albemarle building off Furzer Street, Woden. The gastropub comprises of dining areas, multiple bars, Chef's table for private dining, beer garden, games basement with bar and food offering, Duckpin bowling, pinball and pool tables.

The venue provides a range of menus from breakfast, all-day dining, takeaway, functions, set lunch/dinners for groups and cocktail parties.
